

# Baccalà Mantecato

(bahk/kah/lah – mante/kato)

*A Venetian specialty of dried salted cod paste whipped with extra virgin olive oil and garlic*

*We launched our Baccalà Mantecato on October 25<sup>th</sup> 2020, the day Caterina's Cucina e Bar celebrated 25 years in business. This product speaks of our story, our traditions as Veneti, as Italians. Slowly and skilfully made by hand by our Italian chef. It is our silver lining in the black cloud that is COVID-19. You can buy it from the restaurant directly or from Boccaccio Cellars, St. Ali & Gertrude Grocer.*
